Office Hydration has Challenges. Here are The Facts.

What We Replace...

- **5-Gallon Water Cooler Jugs and 16-oz Plastic Bottles:** Microbial cross-contamination, unreliable 3rd party deliveries, non-recycled plastic trash
- **Tap Water:** Lead service lines are everywhere which affect taste, health, and wellness
- **Old Filter Devices:** Poor customer service and technical response from out-of-state service providers

5-Gallon Water Cooler Jugs, Small Plastic Bottles (by case or pallet)

Metro Pure Water ADVANTAGES

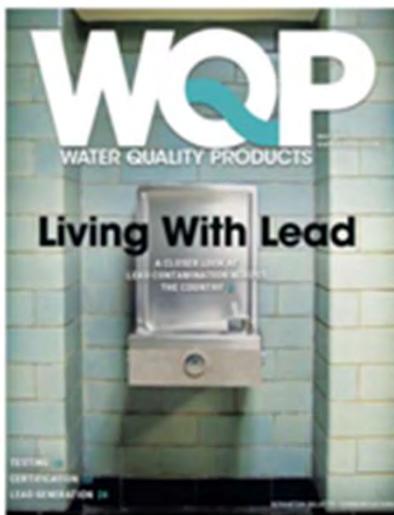

- **NO** Bottle Deliveries
 - Never run out of water
 - Purified water made fresh every day
- **NO** Storage/Lift/Bending
 - Bottles on floor
 - Work comp liability
 - No back bend or tilting sport bottle to fill up
- **NO** Cross Contamination
 - Touchless controls
 - In-tank LED-UV maintains sanitation
- **NO** Plastic Waste
 - Better for environment

Tap Water

Tap Water DISADVANTAGES

- Poor Taste and Odor
 - Too many chemicals
 - Most water fountains, refrigerators, and ice machines have this
- Missouri is Ranked #6
 - Estimated 330,000 lead service lines*
- Kansas is Ranked #13
 - Estimated 160,000 lead service lines*

*Water Quality Products, February 2019

Metro Pure Water ADVANTAGES

- Unlimited Drinking Water at the Point-Of-Use
 - Multi-stage Reverse Osmosis purified
- Certified Contaminant Removal
 - Sediments
 - Chemicals
 - Heavy Metals (i.e., arsenic, chromium, lead, mercury)
 - Microbials (i.e., bacteria, cyst, virus)
- Metro Pure Water bottle-free water cooler:
 - Multi-stage, reverse osmosis purified water improves taste
 - Internal LED-UV keeps tank sanitary and clean
 - External silver ions prevent microbial colonizing
 - Fits large sport bottles
 - Touchless dispensing

Old Filter Coolers

National Service Providers JUST DON'T GET IT!

- No local office or customer service support—online only
- No scheduled preventative maintenance services
- Excessive fee structure

Metro Pure Water ADVANTAGES

- Locally Owned/Operated
- 24-Hour Response Time on most service calls
- 6-12 Month Preventative Maintenance
- Rental Convenience: low cost, services included, price protection, performance guarantee
- Metro Pure Water bottle-free water coolers:
 - Multi-stage, **reverse osmosis purified** water improves taste
 - Internal LED-UV keeps tank sanitary and clean
 - External silver ions prevent microbial colonizing
 - Fits large sport bottles
 - Touchless dispensing

How We Do It.

No Deliveries, Germs, or Plastic Waste.

How We Do It.

Purified Water at the Point-Of-Use.

Reverse Osmosis Inside 

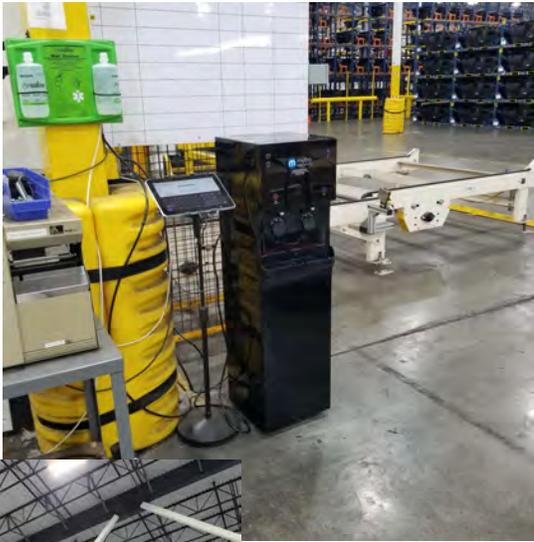

How We Do It. Touchless Dispensing.

- **Infrared** or **PSD sensors** provide no-touch dispensing on select ice and/or water units
- **Foot activated controllers** provide no-touch dispensing on select ice and/or water units
- Prevent the spread of microbial contaminants (i.e., Covid-19)
- Enhance general cleanliness within factory and warehouse settings

How We Do It. Professional Installation. Anywhere.

- Our Professional service staff are trained in **hygienic installation and cleaning techniques**
- We connect to any available tap water line (i.e., sink, restroom) via 3/8 threaded angle stop valve with Teflon paste and EPDM seals for no-leak protection

- Warehouse installs are no problem. If there's water in the building, we can do it.
- Aerial Lift trained technicians
- NSF certified polyethylene flex tubing and lead-free fittings

Bottleless Water Coolers for Office or Industrial Use

- **W5 Water Dispenser**

- 4-stage UF filtration
 - 1.6-gallons Cold + hot
- One-handed dispense
- 10" dispense height
- Antimicrobial protected surfaces
- 50.3 H x 11.8 W x 17.8 D

- **W9 Water Dispenser**

- 5-stage reverse osmosis + alkaline/high pH
 - 2.1-gallons Cold + hot
 - 80-gallons per day
- 100% touchless dispense
- 12" dispense height
- In-tank LED-UV for microbial purity
- Antimicrobial protected surfaces
- 50.3 H x 11.8 W x 17.8 D

High-Performance Countertops—Best In Class!

- **W9 CT Water Dispenser**
 - 5-stage reverse osmosis + alkaline/high pH
 - 1.0-gallons Cold + hot
 - 80 gallons per day
- 100% touchless dispense
- 10.7” dispense height
- In-Tank LED-UV for microbial purity
- Antimicrobial protected surfaces
- 17.8 H x 11.7 W x 19.5 D

Sparkling Water

- **S4 Sparkling Dispenser**

- Cold, ambient, hot + **SPARKLING**
 - 4-Stage UF Filtration
- Touch-free sensor activation
- Low CO² indicator light
- 11.25" dispense height
- 17.8" H x 14.2" W x 23.3" D
- 45.8" H x 14.2" W x 23.3" D (w/stand)

- **B4 Sparkling Dispenser**

- Cold, hot + **SPARKLING**
 - 4-Stage UF Filtration
- Direct Chill process eliminates airborne contamination
- 10.75" dispense height
- 16.3 H x 13.0 W x 18.5 D
- 52.3 H x 13.0 W x 18.5 D (w/stand, cup holder, and integrated drip-tray drain)

The #1 Ice & Water System for Small Office Workgroups

- **i14 Cubed Ice + Water**
 - Dual-membrane Reverse osmosis purified ice/water
 - Cold, hot + ambient
 - 6.45 total gallons
 - 160-gallons per day
 - 44-lbs ice per day
 - 13.2-lbs ice bin
- 100% touchless dispense
- 10" dispensing height perfect for Yeti-style tumblers and sport bottles
- In-tank and In-storage LED-UV for microbial purity
- Drip Tray plumbed to Drain
 - Internal pump does not require floor drain underneath
- 58.7 H x 16.9 W x 19.4 D

Ice & Water System for Small Office Workgroups

- **DMI Nugget Ice + Water**
 - Reverse osmosis purified ice/water
 - Ambient + hot
 - 2.5 total gallons
 - 80-gallons per day
 - 120-lbs ice per day
 - 10-lbs ice bin
- 12" dispensing height perfect for Yeti-style tumblers and sport bottles
- In-tank LED-UV for microbial purity
- Oversized drip tray
- 49.2 H x 13.0 W x 19.7 D

High Performance Ice/Water Up To 500-Lbs Per Day!

- **Nugget Ice and Water**
 - Reverse osmosis purified ice/water (ambient)
 - **S312**—260-lbs ice per day, 12-lbs ice bin
 - **S525**—500-lbs ice per day, 25-lbs ice bin
 - **S540**—500-lbs ice per day, 40-lbs ice bin
- 100% touchless dispense or optional push-button
- Drip Tray plumbed to Drain
- Tabletop Dimensions:
 - **S312**: 35" H x 16.5" W x 24.5" D
 - **S525**: 35" H x 21.5" W x 24.5" D
 - **S540**: 41" H x 21.5" W x 24.5" D
 - Add 32" H for stand or 4" for countertop feet

Industrial Ice Solutions

833-PURE-ICE (787-3423)

S207 Countertop Ice + Water

Max 196-lbs nugget ice per day.

100% touchless dispense.

Fits beneath most cabinets.

Matching stand available.

Kansas City Current CPKC Stadium Home/Visitor Hydrotherapy Rooms

Central Reverse Osmosis for Warehouse Installations – 400 gallons/day (connect to multiple water coolers with minimal plumbing)

Metro G400

Undersink Water

- RO5
 - 5-stage reverse osmosis w/sink top spigot
 - Bottled water quality
- 3X Drink
 - 3-stage filtration
 - Hi-flow direct connect to water fountain or sink faucet
- 3X Ice
 - 3-stage filtration
 - Hi-flow direct connect to ice machine for improved taste/odor and reduced limescale
- DI-1300
 - Deionized (DI) water is alternative vs distilled water @ 0 ppm TDS
 - Perfect for small lab autoclave and light industrial use – approx 1300 gallons per year
 - Direct connect, sink-top spigot, or undersink coil tube

Coffee Brewers

- **Newco ACE-TC**
 - Thermal carafe holds up to 12-cups
 - Filtered hot water spigot
 - Customer free to buy any brand coffee online
 - Rental includes annual filter replacement and cleaning

- **Newco ACE-LD**
 - Thermal air pot holds up to 15-cups
 - Filtered hot water spigot
 - Customer free to buy any brand coffee online
 - Rental includes annual filter replacement and cleaning
